### WORK EXPERIENCE

My professional experience is comprised of two main parts: (1) academia, and (2) EU policy development and project management.

---

#### (1) Academic Career

September 2018 – Ongoing

International Final University, Kyrenia

- Full-time academic staff; teaching courses in relation to the field of Educational Sciences at the Faculty of Educational Sciences

January 2018 - June 2018

International Final University, Kyrenia

-Part-time academic staff; teaching courses in relation to the field of Educational Sciences at the Faculty of Educational Sciences

October 2016 – June 2017

Middle East Technical University North Cyprus Campus

*-Part-time academic staff; teaching students of the following undergraduate programs: Teaching English as a Foreign Language, Psychology, and Computer Teaching and Education.*

1993 – 2005

Eastern Mediterranean University (EMU) Cyprus

*-2000-2005: Full-time academic staff; teaching courses at the English language teaching (ELT) at pre-service level.*

*-1999-2000: Full-time academic staff; teaching courses at the school of foreign languages:* Specific responsibilities involved design, coordination, and teaching English courses to the Engineering faculties, which are the most populous faculties in terms of the number of students and academic teaching staff.

*-1993-1999: Full-time academic staff; teaching courses at the English Preparatory School:* At early career, taught English to pre-faculty students at various English levels.

*-Administrative duties:* Represented the university in Brussels with respect to EU affairs; Participated in administrative committees of the university.

## **(2) Career at the European Union (EU) based in Brussels, Belgium**

**2007 – Ongoing (currently on family leave)      European Commission, the executive branch of the European Union (EU), Tenured Permanent Official position, Brussels, Belgium**

***I started my career at the EU as a project manager and moved to policy development in the Research for Small and Medium Enterprises (SMEs) department. Later I worked in the Education department as a policy coordinator.***

### ***Policy Coordinator - EU School education policy development and project management:***

- Coordinated EU policy development and implementation on teachers, school leaders and teacher educators at the level of the European Union.
- Coordinated two large European-networks projects (on school leadership [www.schoolleadership.eu](http://www.schoolleadership.eu) and on key competences in school education [www.keyconet.eun.org](http://www.keyconet.eun.org)) funded by the Erasmus program of the European Union. This task concerned the coordination of scientific, financial, contractual aspects and communication of the outcomes of the two abovementioned European networks.

### ***Project Manager and Policy Officer - EU research and innovation policy and project management:***

- Coordinated the EU high level advisory committee for small and medium enterprises (SMEs).
- Represented, supported and guided SME participation in research within the Enterprise Europe Network (EEN) [www.een.ec.europa.eu](http://www.een.ec.europa.eu)
- Took part in the preparation and consultation process of the current funding framework of the EU on research and innovation - Horizon 2020 <https://ec.europa.eu/programmes/horizon2020/>
- Coordinated scientific projects concerning their scientific, financial, contractual aspects and communicated their findings within the entire project cycle in the field of research for the benefit of SMEs.
- Conducted scientific research on the 'SME and academia cooperation in research projects within the Framework Program 7 (FP7)' [http://www.eurosfaire.prd.fr/7pc/documents/1298642449\\_sme\\_academia\\_cooperation\\_presentation.pdf](http://www.eurosfaire.prd.fr/7pc/documents/1298642449_sme_academia_cooperation_presentation.pdf) The results of this study have been disseminated to the relevant EU committees in various conferences and seminars in Brussels.

## EDUCATION AND TRAINING

---

**PhD in Educational Sciences                      Middle East Technical University, Turkey                      2001-2006**

*Completed the taught part of the program with full grade (4.00) in all the course taken: Curriculum theory and research, program evaluation theory and practice, educational psychology theory and research, statistics, advanced research, qualitative research methods, and educational sociology. As part of the program, conducted several research projects in Cyprus, Turkey and Belgium. Wrote a PhD thesis on the development of reflective thinking skills among pre-service teachers.*

*This doctoral thesis was published as a book in 2009, entitled “Developing reflective teachers: a study on reflection in pre-service teacher education” by an international publisher in Germany. It is sold worldwide.*
